SPORT-WALKING
In weeks 8 and 9 we are planning on walking around Carrington and Nobbies Beach. For this to happen we will require parent help to transport students to and from these walks.

If you are able to help, please fill out the form below and return to the office. When the form is returned to the office, you will receive a package which includes an online, working with children check (please note this may take up to two weeks to process) and we also need licence and car registration information. This will need to be returned to the office one week before the walk.

If you have any questions, please see Miss Drew. Your help is very much appreciated.

Garlic bread and breadrolls are also being sold for 50c.

TISSUES
As winter is nearly here and a lot of children get sniffles and colds, it would be appreciated if each child could bring in a box of tissues for their class use.

The answer will be in next week’s Chalkboard.

We have recently set up a new stand in the library with a number of our new and older sets of books.
Please come in and have a look and encourage your children to do the same and borrow!

Would anyone have a copy of the DVD “The Witches” by Roald Dahl, that they would be willing to lend to Mrs Robinson for a few weeks?
CLASS ROOM REMINDERS

CLASS KB
Speeches have been progressing well – great work everyone! KB speeches are on their new day.

This term, we have been working on our writing as well as our reading. Each week we have a special “spelling word” from our reading words that we focus on. Children should be practising these words at home on a piece of paper.

Socceroos
The Coach that arrived to take us to the game in Sydney was the Newcastle Knight’ Coach. We arrived in Sydney, got off the bus and had to wait ages - then we entered the loudest tunnel. Everyone was screaming because the Socceroos bus just drove past. When we walked out on to the field WE WERE ON THE BIG SCREEN, everyone was jumping up and down. After the march past we met all the parents and sat down.

The game was sensational.
South Africa scored first with a goal across the face of the goals. Then the Australians ran up the field, passed it to the wing that crossed it in to the striker, who did a one two with the midfielder then smashed into the goals; a South African defender tried to stop it but ended up kicking it, in the goal. On the way home everything was quiet.
It was an amazing experience.
