Just a reminder that our school day finishes at 3.00pm. After this time the children are under their parents/carers’ supervision and the playground (for playing handball etc) and play equipment are out of bounds.

FRIDAY ASSEMBLY
Assembly will commence at 2.20pm this Friday, Class 4/5 will present an item.

OFFICE NEWS
Don’t forget to notify the office of any new information such as change of address, work phone numbers, mobile numbers, emergency contacts etc, so in the event your child is sick or injured you can be notified immediately.
LIBRARY NEWS
Overdue library book notices are attached to the Chalkboard. Please return the books to the office or library.

Issue 4 of Scholastic Bookclub has been handed to the students today. Money and orders are due by next Friday, 13th June.

FREE UNIFORMS at Market Garden!
This Friday’s market garden will have school uniforms for free. The uniforms are in good condition and have been in the storeroom for a while, we think they’d be better off being used. They consist of ex-student donations and old lost property. There are lots of jumpers for winter, so come and grab a bargain after this week’s assembly.

ARCHIBULL EDITORIAL TEAM
How much food do you think is wasted every year in Australia?

Answer is 4,000,000 tonnes.

DONATIONS
Mrs Bradley would like, if possible, donations of outdoor toys, to be used in either the sand pit, (bucket, spades, etc) or the Matchbox Car Corner (which takes all size toy cars, trucks etc). She would like to be able to put the toys out for sandpit play one week and alternate the following week with toys in the car corner. If you can help, please drop any donations into Mrs Bradley in the KB Kindergarten room.

Thank you

LEMONADE STAND
Thank you to everyone who supported our lemonade stand last week. The stall raised an amazing $160.00.

CLASS ROOM REMINDERS
CLASS KB
I have some jumpers being left behind with no names on them. If you have lost a jumper can you please come and see if they are yours. Make sure names are on jumpers so they can be handed back.

Next week for News, children need to bring to school a toy that they can describe—what it is, what it is made of, how it moves etc. This is part of our Science Unit about toys and how they move. Try to find an interesting, different toy they may have. An “olden day” toy would be great as well. I will take a photo of them with it and this will be part of some future work they will be completing in class.
